MINIDESK

Bulo

MINIDESK

Mini Desk, our newest addition designed for flexible working. This sit-stand desk features a variable height adjustment, allowing you to easily switch between positions throughout the day. Its foldable tabletop makes it compact and practical for smaller spaces. Equipped with wheels and brakes, it moves effortlessly while staying stable when needed. A smart, adaptable solution for modern work environments.

MINIDESK

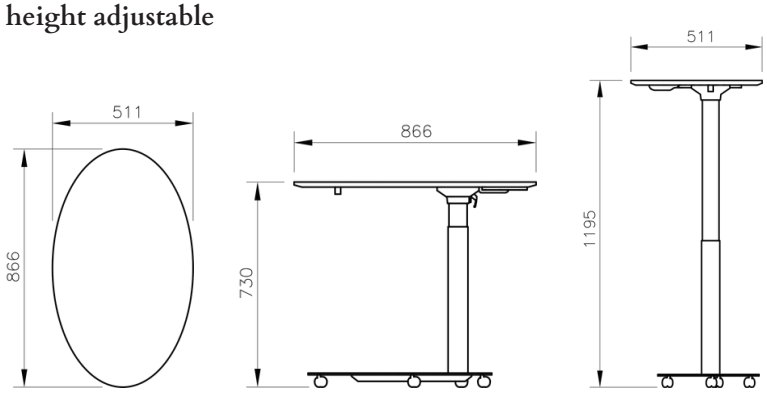

HEIGHT ADJUSTABLE

The height can be set between 730 mm / 28.7" and 1195 mm / 47".

Base powder coated. Tops in powdercoat, Fenix hpl or veneer.
